Shipping Label Format

Rebels & Realms Book Convention
Chelsea Thomas - Event Organizer
Hold for Arrival Date of 07/17/26
Embassy Suites NWA
3303 Pinnacle Hills Parkway
Rogers, AR 72758

Shipping Considerations

1. Arrangements must be made in advance for all pallets, as well as all shipments of more than 10 packages.
2. The hotel reserves the right to refuse delivery of any pallets or large shipments that were not previously approved by the hotel.
3. The Embassy Suites NWA is not responsible for any damaged packages and has the right to refuse any shipments
4. The Embassy Suites NWA is not responsible for helping unload any delivery trucks that may drop off shipments, the hotel does not own a forklift.

Exhibitor Q&A

1. Will I receive tickets to the event?

Yes, though they are only necessary for registration. You will only need your badge afterwards.

2. Do I have to attend the parties?

No - you are invited to all 3 but they are not required. With three completely different vibes - networking, dinner/dancing/drinks, and chill pajama lounging - we hope at least one piques your interest.

3. Can my PA come to the parties?

Yes! Your PA(s) have the same level of convention access as Exhibitors.

4. Am I allowed to venture around the Exhibitor Hall?

Yes. We highly encourage you to take some time to walk around. There is a little built-in time during setup, before the Exhibitor Hall opens Saturday morning, and during the break for lunch. You can even participate in any of the Quests to earn raffle tickets

5. How do I get my stuff into the Exhibitor Hall?

If you are driving you can pull around the back of the building to where the load-in dock is and walk your items in to your booth. If you are coming through the main entrance you'll need to walk to the Arcanum entrance/exit for the Exhibitor Hall. If you are hauling things from the hotel please be mindful there is an elevator but it is small.

6. If I arrive early can I store my items somewhere?

Yes. Please let us know ahead of time you'd like to take your items to storage - this will help us be efficient with staffing.

These are the questions I've
received the MOST!
